FIG. 1

A detailed line drawing of a mechanical assembly, likely a printer or copier mechanism. The drawing shows various components labeled with numbers 20 through 29. The central part of the assembly features a large circular component (21) with concentric circles, possibly a drum or a large gear. To the right of this component is a spring (20) attached to a lever (28). Above the central component is a horizontal bar (25) with a small hook (26) and a spring (23). To the left of the central component is a lever (27) and a spring (29). The entire assembly is mounted on a base (21) with several mounting points and a small circular feature (22). The drawing is a technical illustration showing the internal components and their relative positions.
